**Re: Extension of Filing Deadline for 2021 Annual Operations Report**

Dear Mr. Kramer:

On March 2, 2022, we received your request on behalf of Haida Energy, Inc. (HAIDA) to be allowed to delay submission of its 2021 annual report until May 2, 2022. HAIDA indicated that it will not receive the 2021 financial information until sometime in early-to-mid April 2022, and therefore, HAIDA will not be able to complete the annual report by the March 31, 2022, due date. HAIDA asserted that providing accurate financial information is essential to ensure the integrity of the annual report. This can only be achieved if HAIDA is allowed a reasonable amount of time to file after the 2021 financial information is received.

We reviewed the request and determined that the extension of the annual report should be granted; therefore, we grant HAIDA permission to extend the annual report deadline to a date no later than May 2, 2022. However, by March 31, 2022, HAIDA shall report to the Commission the selected annual report data requested in our online Utility Annual Report by logging in at <https://rca.alaska.gov/RCAWeb/Home.aspx>.

HAIDA's attention in this matter is appreciated. If you have any questions regarding the contents of this Letter Order, please contact Julie C. Vogler, Utility Financial Analyst, at (907) 263-2168 or [Julie.vogler@alaska.gov](mailto:Julie.vogler@alaska.gov).

BY DIRECTION OF THE COMMISSION

Sincerely,

REGULATORY COMMISSION OF ALASKA
